

## Outcomes Assessment of LRES Graduate Programs (2014-2016)

### LRES thesis-based MS in LRES and Land Rehabilitation

The following 13 students defended their MS theses during the previous two years (10-Nov-14 through 1-Jul-16). All students passed their defenses. The program outcomes are being met and LRES has not identified any program changes at this time to better prepare students to meet the program outcomes.
